Treatment Access GUIDE

SpringWorks CareConnections™

GOMEKLI™ (mirdametinib) Treatment Access Guide

Follow these steps to support your patients with getting started on their treatment journey with GOMEKLI.

1 Enrolling patients in SpringWorks CareConnections™ can help support them as they get started and throughout their treatment journey

- SpringWorks CareConnections can help your commercially insured patients with eligible out-of-pocket costs incurred for certain treatment-related tests, examinations, and/or specialty visits during treatment with GOMEKLI*
- SpringWorks CareConnections provides additional personalized support services and resources to help your patients get started and stay on track with GOMEKLI

2 Submit a prior authorization (PA) or medical exception

- Health plans may require a PA or medical exception based on plan-specific benefits investigation outcomes
- Several resources are available **HERE** to support this process

> Use of the information in this resource does not guarantee that the health plan will provide reimbursement, and it is not intended to be a substitute for, or an influence on, the independent medical judgment of the healthcare provider. When completing any request, it is the responsibility of the healthcare provider to adhere to the payor's specific requirements at that time.

3 Help your patients stay on track with GOMEKLI

- A SpringWorks CareConnections Nurse Advocate serves as a dedicated single point of contact for your patients throughout the treatment journey with GOMEKLI and can provide personalized educational and emotional support†

*Terms and conditions apply. Copay program for GOMEKLI and reimbursement for eligible treatment-related costs are subject to annual benefit maximums. To receive the reimbursement of eligible treatment-related expenses an explanation of benefits must be submitted along with copies of receipts for payments made by your patient. The servicing provider may also submit a copy of the invoice for services rendered to your patient. Full terms and conditions provided during enrollment process and are available upon request by contacting SpringWorks CareConnections at 844-CARES-55 (844-227-3755).

†The SpringWorks CareConnections Patient Support Program is not intended to take the place of the healthcare provider, and our team of Nurse Advocates cannot provide medical or clinical advice.

Enrolling Your Patients in SpringWorks CareConnections Is Simple

Financial Assistance for Treatment-Related Expenses

Prior to starting GOMEKLI™ (mirdametinib), and during treatment, patients may incur costs for required testing/examinations and/or specialty visits related to treatment. These may be costly and time-consuming for your patients.

Help your patients receive reimbursement for eligible treatment-related expenses through SpringWorks CareConnections.*

What costs may be reimbursed?
Treatment-related service
Cardiology visit
Cardiology test (echocardiogram)
Dermatology specialist visit
Ocular visit
Ocular specialist
Ocular test

The SpringWorks CareConnections Treatment-Related Cost Reimbursement Program may apply retroactively to out-of-pocket costs for eligible treatment-related costs that occurred within 90 days prior to the Program enrollment date during the same calendar year, subject to the maximum per visit, annual maximum benefit and the applicable terms and conditions.

Key eligibility criteria:

- A valid prescription for GOMEKLI
- Patient has a copay for greater than $0 for costs for required tests, examinations, or specialty visits related to treatment or is a Medicaid beneficiary without coverage for these services
- Resident of the United States or its territories or possessions

Enrolling Your Patients in SpringWorks CareConnections Is Simple (cont'd)

Download and print or complete the editable PDF:

1. **Download the enrollment form at** springworkstxcares.com/gomekli/hcp
2. **Complete and sign the enrollment form**
3. **Fax the form to SpringWorks CareConnections at 844-227-3747**

Your patient (or their legal representative) is also required to complete the patient section of the enrollment form and sign the corresponding authorizations to enroll in the program.

You can prescribe GOMEKLI directly through our in-network Specialty Pharmacy partners, Onco360 or Biologics, or through your in-office pharmacy. Eligible in-office pharmacies may also purchase GOMEKLI directly through our Specialty Distributors.* Visit springworkstxcares.com/gomekli/hcp/ordering-information.

Even if you prescribe directly through your in-office pharmacy, you can still enroll your patients in the program for support. SpringWorks CareConnections works with in-network pharmacies or your in-office pharmacy.

Submitting a Prior Authorization (PA) or Medical Exception

Health plans may require a PA or medical exception based on plan-specific benefits investigation outcomes.

SpringWorks CareConnections or the dispensing pharmacy will conduct a benefits investigation and share your patient's health plan requirements with you and your office staff.

Comprehensive access resources are available at **springworkstxcares.com/gomekli/hcp**.

Help Your Patients Stay on Track With GOMEKLI™ (mirdametinib)

Your patients may request ongoing and personalized support throughout their treatment journey with GOMEKLI. SpringWorks CareConnections is here to help.

Our dedicated Nurse Advocates can provide your patients with personalized educational and emotional support*:

EDUCATIONAL SUPPORT

Our Nurse Advocates are trained to provide:

- Information on disease state, treatment expectations, access support, product-related questions, and SpringWorks CareConnections services
- Education and guidance to help your patients stay on track with GOMEKLI
- Answers to questions about GOMEKLI

EMOTIONAL SUPPORT

Our Nurse Advocates help keep your patients on track with their treatment by:

- Providing emotional support and encouragement to your patients and their caregivers
- Connecting them to other services and support that may be available

Insurance Navigators are additional members of the SpringWorks CareConnections team who can assist your patient or their caregiver with insurance navigation or complex reimbursement issues, as well as research additional resources that may be available to your patients.
